## Police number 105

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non emergencies, or you can go online at [105.police.govt.nz](http://105.police.govt.nz) to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.
