Week 5

20th August 2019

Kia Ora, Talofa lava, Malo e lelei, Kia orana, Faka alofa lati ahu, Bula, Namaste, Ni Hao and Hello to everyone

Dear parents,

Our school joined up with other local schools to form a group called the Mangere Kahui Ako. We are keen to hear your thoughts on the ideas we have to develop our schools for your children.

You can

- go to the survey on line by clicking on the Blog on the school website front page, www.viscount.school.nz or
- you can click here if you get the newsletter on the school ap

Market Day 27th August (see attached information sheet)

Y5-6 have been working on how people work in our community and will be holding a Market Day. The children have been making things to sell.

You or children can buy tokens to “spend” on the Market day. Tokens will be sold until Friday 23/8 at the office – or parents can bring cash on Market Day.

Y7-8 have been studying plastic and they will have things to show and talk about on this day. Please some along if you can so they can share their learning with you.

2nd September – Teacher Only Day

On this day the school will be closed while teachers undertake some professional learning work in regard to improving our Writing and Reading programmes.

Board elections

Nominations close on the 6th September. See the attached sheet or come to an information session at school on the **26th August at 5.30pm.**

Parent help

We are looking for parents who would like to come in before school **h** and help us make breakfast **or at 12.15** to help us make lunch and work with Fred to sort the fruit and milk. Our students do this at the moment and they do a great job but we want them in class learning – so if you can help, let the office know.

Mangere Kāhui Ako

Vision

A kāhui ako that works collaboratively to strengthen our learning community.

Our key Focuses :

Our Mangere Kahui Ako are preparing to set our key focus for the next two years. To support us in our planning we would appreciate it if you could complete this short survey in regards to the following:

Digital Competency: To empower akonga to participate, create and thrive in this fast-moving digital world.

Well-being: To empower students to take ownership of their own wellbeing and contribute to the wellbeing of others.

Student Agency: To empower students to own their learning so they believe they are successful by being active and contributing citizens.

Vision

A kāhui ako that works collaboratively to strengthen our learning community
