**Market Day 27th August** It was great to see so many of you. The Year 5/6 classes tell me they didn't realise so many of you would come and they sold out of everything!

One of the parents made [delicious pork balls](#). Next Wednesday (and every Wednesday) we will have pork buns on sale for \$2 each. Children will be able to order in their class by 10am on Wednesday and the orders will be delivered to classes at lunchtime.

## Board elections

Nominations close on the 6th September.

## Measles

### Measles in Auckland schools

Please vaccinate your child or young person if they have not had one measles (MMR) vaccine. It is free at your GP.

Students in a class with someone who has measles may be asked to stay home for one to two weeks, if they have had no MMR vaccinations.

Students with one or more MMR vaccinations can still attend school.

Measles info at: [arphs.health.nz/measles](http://arphs.health.nz/measles)

Check your child's immunisation records in their Well Child/Tamariki Ora book or ring your GP clinic.

Tell your GP or after hours clinic if you suspect measles before you arrive, so you don't infect others.

**Symptoms:** cough, runny nose, fever, sore red eyes, then a rash.

## Mangere Kāhui Ako

Vision  
A kāhui ako that works collaboratively to strengthen our learning community.

### Our key Focuses :

Our Mangere Kahui Ako are preparing to set our key focus for the next two years. To support us in our planning we would appreciate it if you could complete this short survey in regards to the following:

**Digital Competency:** To empower akonga to participate, create and thrive in this fast-moving digital world.

**Well-being:** To empower students to take ownership of their own wellbeing and contribute to the wellbeing of others.

**Student Agency:** To empower students to own their learning so they believe they are successful by being active and contributing citizens.

Vision  
A kāhui ako that works collaboratively to strengthen our learning community
