

School closure

Dear parents,

In these very challenging times, we all have to make huge but hopefully short term changes in order to protect each other from this invisible enemy – the Covid-19 virus.

This means, while we have no known cases at our wonderful school, our school will close on **WEDNESDAY 26th March at 3pm** for four weeks.

Please keep an eye on our website www.viscount.school.nz as we will post updates there and send out messages on the school ap if any of this information changes.

Homework packs

These packs were given out on Monday 23rd March.

If you have not yet received a homework pack you can still collect it from the school Hall on Tuesday or Wednesday this week.

*Our staff has worked hard to prepare homework packs for each of your children.
This pack contains work they need to do while they are at home.*

Teacher contact

Our teachers will contact you by txt or phone to see how your children are going with their homework packs as we want everyone to keep learning during the school shut-down time.

Keep strong everyone – we will get through this - Look after each other.
