Viscount Street Changes

We hope you are finding the changes ok. There is still some work to do in the carpark and the planter boxes will be put out onto the grass verge. We have had a wonderful team of artists working on designs for these boxes.

Soon they will be finished and filled with plants.

Year 7/8 Samoan Language Competition – Friday 18th June

We are delighted to be able to host this event for Auckland schools. After discussions with the Auckland principal group organising the event, it was agreed this will be an online event. Children entering the competition will send in a video of themselves and the judges will watch the videos at our school to decide on first, second and third place.

Puberty Plus – parent information evening 15th June 6pm

This meeting is for parents to hear about what will be covered when the programme is run for children next week. Yesterday a letter went home to all Y7/8 students so you could see what will be covered. These topics are important for your child so please have a look through this information.

Please also send back the attached form if you do NOT want your child to take part.

NZEI stop work meeting 1.30pm 29th June

As in previous years, the school will be open on this afternoon. However we ask that if parents can take their children home at 12.30 on this day it would be enormous help to staff who will remain at school while teachers attend this meeting.

A separate letter about this will come home next week.
